FEBRUARY 2013

Volume 13, Issue 2

COORDINATOR'S CORNER

- It's tax time! **AARP's tax preparation service** (TCE) will be available to help seniors and low-income qualifying individuals on Mondays and Saturdays at the center from February 11 through April 15. Make your appointment beginning February 1 because April 15 will be here before we know it! Additional program information is on page 3.
- On Monday, February 18 at noon, help support your club and have a great time at the **Washington's Birthday Card & Games Fundraiser**. For \$7, enjoy Bridge, Scrabble, dice, Mahjongg, dominoes and whatever else you might like. Sign-up at the center, encourage your friends to come (the more the merrier!), and bring a snack to share.
- Jennie Andrews returns on Friday, February 22 to explore our memories of **handcrafts that we have done and ghost stories of the Pocono region**. We'll order lunches (\$5) for those who'd like one. See the sign-up sheet for details.
- The **Medical Alert** program needs some help! This very important service helps seniors feel secure and signals for help in case of an emergency. Folks are needed to help with installation, maintenance and repair. Please take a look at Jack Spencer's article on page 3, and consider donating your time for this worthy endeavor.
- This month, the UCC **Selected Topics in Biology** course will meet at 10:30AM on the following days: Mondays, February 4, 11 & 25, and on Friday, February 22.
- Keep your eyes open for the **2013 Activities Calendar**. The committee has been working hard to arrange fun events and trips for us this year.
- Have you noticed the **new fire doors**? Union County's Community Development Block Grant contributed \$4,300 toward them, with the balance paid by the borough. Another example of your tax dollars at work!

- The Montclair Museum's Georgia O'Keeffe exhibit and tour was beautiful and informative. Thanks to Christine Napolitano for organizing it.
- We are grateful to Janice Girona, our PHN, for arranging for Overlook Hospital's Health Avenues Van to visit us and check our blood glucose levels.
- Thanks to Billy Cucco we welcomed the Chinese Year of the Water Snake a little early with a delicious luncheon at Szechuan Delight.
- Thanks to the NP Memorial Library for the donation of many boxes of large print books. Thanks, too, to our librarians Terry Allocco, Nan Cirelli and Florence Gordon who categorized and unpacked them all onto our newly purchased book shelves. Good job!
- Volunteers Mary Courtien and Gerri Madsen and a few members were kind enough to "undecorate" the center and put away all the holiday items.

QUOTES FOR PRESIDENT'S DAY

George Washington: Let him who looks for a monument to Washington look around the United States. Your freedom, your independence, your national power, your prosperity, and your prodigious growth are a monument to him. ~ Louis Kossuth

Abraham Lincoln: A statesman of the school of common sense, and a philanthropist of the most practical type, a patriot without a superior—his monument is a country preserved.

~ C.S. Harrington

A MEDICAL ALERT REPORT From Jack Spencer

The Medical Alert program has 50 units in operation but is in dire need of help (one or two males or females) to install and service the units. Medical Alert units are vital to people living alone when a medical or other emergency occurs and they are unable to reach the telephone to call for help.

The past two years the borough suffered severe power outages, and the program was faced with fifty units out of service. When power was restored, the repair job fell on the shoulders of Jim Coyne. He did a remarkable job getting the units back in service and deserves our thanks and congratulations.

Normally it takes approximately 30 minutes to install the unit, and there are annual follow-up maintenance visits of about 15 minutes each.

A priority is to be prepared for the loss of power for the borough. Applicants will be thoroughly trained and will accompany Jim until they are ready to do the installations, maintenance and repairs themselves.

Please call me, Jack Spencer, if you can help fill this void: 908-665-1342. Thank you!

***** * Reflections on Friendship *

Friendship is the golden thread
that ties all hearts together.

A friend is someone who knows
the song in your heart
and can sing it back to you
when you have forgotten the words.

A good exercise for the heart
is to bend down and help another up.

Friends are like four leaf clovers,
hard to find, lucky to have.

If all my friends jumped off a cliff,
I wouldn't jump with them.
I would be at the bottom
to catch them.
