### RUBBER DUCKY RACE UPDATE

We want to thank everyone who purchased adoption tickets. Through the Club, 192 tickets were sold at \$5.00 each. The increase in Club sold tickets was definitely due to the great salesmanship of the Kinum and Dalton girls after the Memorial Day parade.

A tremendous thank you again goes to Nancy Audet (daughter of Jack and Connie Spencer) who sold 288 tickets. Nancy continues to follow in her father's footsteps by supporting the Medical Alert Program through the Berkeley Heights Rotary Club.

The revenue from this year's ticket sales will net the Club about \$1,200.00 and will be used to fund Club events/programs.

### BOOK REVIEW by Therese Dalton

#### *The American Heiress*

by Daisy Goodwin

This book transported me to England in the 1890s. I felt that I was at the grand houses with the family. If you miss watching Downtown Abbey, read this book!

Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and in her marriage. Will she choose love or money?

"For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." ~ Daisy Goodwin in *The Daily Mail*

### BERKELEY AQUATIC CLUB SENIOR DISCOUNT

Berkeley Aquatic Club offers reduced rates for their Lap Swims to Adults 65+. New Providence residents pay \$4.00. Non-residents pay \$5.00. Lap Swim hours are Monday through Friday from 11:00am to 3:00pm.

### JUST FOR LAUGHS

A couple was discussing a fellow parent they knew. "Isn't it surprising that she can never see any faults in her children?" the mother asked. "Mothers never can," the father replied. "What a silly thing to say. I'm sure I could see faults in our children, if they had any."
